SecureLife Health Shield - Policy Wording

Synthetic document for the Agentic AI course - not a real insurance product.

1.1 Sum insured. The sum insured is the maximum amount SecureLife will pay for all claims made under the policy in one policy year. For a family floater policy the sum insured is shared by all members covered. The sum insured and the amount still available are shown in the policy schedule and in the customer portal.

1.2 Policy period. The policy is valid from the start date to the end date shown in the policy schedule. Cover applies only while the policy status is Active.

2.1 In-patient hospitalisation. The policy covers in-patient treatment when the insured person is admitted to a hospital for at least 24 consecutive hours on the advice of a doctor. Room charges, nursing, doctor fees, medicines, diagnostics and operation theatre charges are covered up to the sum insured.

2.2 Pre and post hospitalisation. Medical expenses incurred up to 30 days before admission and up to 60 days after discharge are covered, provided they relate to the same illness or injury for which the hospitalisation claim was accepted.

2.3 Day-care procedures. Day-care procedures such as cataract surgery, dialysis and chemotherapy that need less than 24 hours of hospitalisation are covered up to the sum insured.

2.4 Ambulance charges. Road ambulance charges to the nearest hospital are covered up to Rs. 2,000 per hospitalisation.

3.1 Initial waiting period. No claim is payable for any illness that starts in the first 30 days after the policy start date, except for hospitalisation caused by an accident.

3.2 Pre-existing diseases. Illnesses that the insured person had before buying the policy, such as diabetes or hypertension, are covered only after 36 months of continuous cover.

3.3 Specific illnesses waiting period. Treatment for cataract, hernia, joint replacement and kidney stones is covered only after 24 months of continuous cover.

3.4 Maternity cover. Maternity expenses, including normal and caesarean delivery, are covered after a waiting period of 24 months of continuous cover, up to Rs. 50,000 per delivery, for family floater plans only. New-born baby expenses are covered within the same limit.

4.1 Room rent limit. Room rent is payable up to 1% of the sum insured per day. If a costlier room is chosen, all associated medical expenses are reduced in the same proportion.

4.2 Co-payment. Senior Citizen plans carry a co-payment of 20% on every claim, which is paid by the insured person. Other plans have no co-payment.

5.1 Exclusion - cosmetic treatment. Cosmetic or plastic surgery, hair transplant and weight-loss treatment are not covered unless they are needed because of an accident or cancer.

5.2 Exclusion - self-inflicted injury and substance abuse. Treatment for self-inflicted injuries or for conditions caused by alcohol or drug abuse is not covered.

5.3 Exclusion - dental and spectacles. Dental treatment, spectacles, contact lenses and hearing aids are not covered unless dental treatment follows an accident and needs hospitalisation.

6.1 Cashless claims. At a network hospital the insured person can use cashless treatment by showing the health card. The hospital sends a pre-authorisation request; planned admissions must be intimated 48 hours in advance and emergencies within 24 hours of admission.

6.2 Reimbursement claims. For treatment at a non-network hospital, the claim form with original bills, discharge summary and reports must be submitted within 30 days of discharge.

6.3 Claim review. Every claim is reviewed by a SecureLife claims officer before it is accepted. Submitting a claim does not mean it will be paid; the decision follows the policy terms.

7.1 Renewal and grace period. The policy can be renewed within a grace period of 30 days after the end date. Claims for treatment during the grace period are not payable until the renewal premium is received.

7.2 No claim bonus. For every claim-free year the sum insured is increased by 10%, up to a maximum of 50%. The bonus is reduced by 10% in the year after a claim.
